# Breast Care Certification Review

## **Synopsis**

Breast Care Certification Review is the first comprehensive learning package designed to help prepare oncology nurses become certified in caring for patients with breast cancer. Providing numerous practice questions with comprehensive answer rationales, it is the essential guide for nurses planning to sit for the Certified Breast Care Nurse (CBCN) examination. Organized around the eight areas tested on the CBCN Blueprint: \* Breast Health \* Diagnosis and Staging \* Treatment Modalities \* Symptom Management \* Psychosocial and Spiritual \* Survivorship \* End of Life Care \* Professional Performance and Education Also available for purchase is the online Access Code for Navigate TestPrep, a dynamic and fully hosted online assessment tool designed to help nurses prepare for certification examinations by offering case-based questions, detailed rationales, and robust reporting. \* Randomized questions create new exams on each attempt \* Monitors results on practice examinations with score tracking and time on each task \* Reporting tools evaluate progress and results on each attempt Don't forget to visit our nursing certification website: [www.NursingCertificationSuccess.com](http://www.NursingCertificationSuccess.com)

## **Customer Reviews**

arrived in good packaging. helpful so far

Am planning on taking certification and this is the first book I have found that addresses the issues for the navigator.

Great book. Quick delivery
