Customer Reviews

A well written, informative guide to exploring Cape Cod. This book is great for new visitors, but also offers new adventures for people who think they know all the hidden corners of the Cape. Mr. O'Connor's narrative is like touring the cape with an old friend. Nice photography as well. Highly recommended.

Great book, well-organized, and up-to-date (as of summer 2009). The best part is that the book is very well thought out and easy to use. Something for all age groups and all activity levels.
