Customer Reviews

Book was listed in used- acceptable condition but I found it to be closer to good-very good. That's great! It had a couple of stickers but minimal writing inside. I haven't gotten too far into the book contents yet (just the beginning of the course) but it seems like an easy (kinda boring) read.

This was a required textbook for sports management class. There's a lot of information in here so study up!

Book arrived as described in great condition!
