The Essential Guide To Building A Mobile DJ Light Show

Synopsis

For many mobile DJs, taking the first steps into the lighting world can be confusing. Which type of fixtures should you buy? What kind of light stand should you use? How does DMX work? In this comprehensive guide, the author covers topics such as buying your first light show, setting it up, designing unique and eye-catching setups, DMX programming, wedding lighting, and more. Whether you are just starting out as a mobile DJ or are a veteran who just hasn't spent the time to learn about lighting, this book will help your design and create a lighting rig that will set you apart from your competition.
