What a beautiful book. I start the day off each morning reading the daily message/quote and taking in the extraordinary images only National Geographic photographers can capture! Love the simplicity of focusing on a message and carrying the message through the day. Have given these as gifts for birthdays, housewarmings, or when someone needs a little lift!

This is a beautiful book..one that reminds of of the wonderful things for which we are reminded to be grateful.I have bought several of these books as gifts . I was disappointed that the last book arrived with the cover torn and I don't want to give it to a friend this way.

Gorgeous book, gorgeous photographs, inspiring / thought-provoking quotes for every day of the year. A good companion to the other books in this outstanding series. Highly recommended

Daily Gratitude is a beautiful book of quotes and gorgeous National Geographic photographs. I gave copies to nearly everyone on my Christmas list: to my grown children and several friends. When my husband saw it, he asked me to order one for us. I believe the youngmen in the family enjoyed it as much as the women.

I bought this treasure for my good friend for Christmas. The photographs are really lovely and the quotes inspiring. My friend just loved it. It's a pretty book and certainly can become a table-top treasure!

Is fun, and it has some great quotes; the pictures are amazing! But is lacking; some of the quotes are senseless and is like they didn't try to hard to find them. If your are looking for some gratitude book I would buy "Gratitude works: a 21 program..." by Robert A Emmons. It change my way of viewing life; if you do all exercises.

This is quite simply a very beautiful book. Each day offers a lovely photo and a short, but often profound quote, from a variety of sources. It is an affordable, thoughtful gift for the people in your life who want to start the day with an inspirational message. I've bought 6 of them, because it's one of the nicest gifts you can give.

WOW! Beautiful and inspiring. Absolutely a great deal for under \$10. Get it. Great gifts. Bought four copies after reading first 30 quotes
