Cruise Confidential: A Hit Below The Waterline: Where The Crew Lives, Eats, Wars, And Parties? One Crazy Year Working On Cruise Ships (Travelers' Tales)

Synopsis

National Best Seller ForeWord Humor Book of the Year Benjamin Franklin Awards Humor Book of the Year In *Cruise Confidential*, Brian David Bruns spills the dirt - or, in this case, the dirty water - on those romantic, fun-filled vacations at sea. His hilarious chronicle of the year he spent working for Carnival Cruise Lines takes listeners down into the areas where the crew works and lives, leaving listeners gasping with laughter as they're assaulted nonstop with events that range from the absurd to the utterly bizarre. Stewards fighting over food. Cutlery allowances and other nonsensical rules. What the crew calls those onboard (no, it's not passengers). And, of course, the sex. An abundance of ready, willing, and able bodies eager for action on a vessel replete with nooks and crannies leads to love in some mighty strange and seemingly impossible places. Breezy, entertaining, and informative, *Cruise Confidential* is essential listening for those planning a cruise or for anyone who just needs a good laugh. Don't miss the entire *Cruise Confidential* series: *Cruise Confidential Ship for Brains* *Unsinkable Mister Brown* *High Seas Drifter*

Book Information

Audible Audio Edition

ASIN: B01DMSZO8E

Best Sellers Rank: #58 in Books > Travel > Food, Lodging & Transportation > Cruises #177 in Books > Audible Audiobooks > Nonfiction > Travel #330 in Books > Audible Audiobooks > Humor

Customer Reviews

I don't intend to write a review rehashing the storyline or details; the official commentary on this site is pretty accurate. *Cruise Confidential* is a bit of an expose', but, unlike Anthony Bourdain's *Kitchen Confidential*, I did not infer any personal malice towards the industry nor its people. Enjoyable for most everyone, but anyone who has ever been on a cruise will best appreciate Bruns' story, not only of the long hours and hard work, but of the nature of relationships in the very special

community made up of service workers on a large cruise liner. This book does deserve special comment, because I am pretty sure that it is largely nonfiction, and it will fill an heretofore vacant niche in travel literature. In my mind, a good book must satisfy three criteria. First it must be easy to read, second it must be a good story, and lastly it must somehow leave you changed for the better. *Cruise Confidential* hits the mark on all three criteria. First, Bruns' writing style is natural and unstrained. I have read too many books during which I feel as if I am working at cross currents to the writing just to get at the story. Here the writing carries you easily along, and you can relax and float (this is about ships after all) along through the challenges, tribulations, and victories of his first year working in service for Carnival. Second, it is certainly a good story, written in the first person. I started this book and stayed up much later than I should have to finish it. I haven't done that in a long time, and that speaks for all those qualities of writing and subject that combine keep you from setting it aside to finish later.
