Customer Reviews

I saw the movie and thought, "I have to read this play!" So I did and it's every bit as wonderful as the movie. The characters are so *real* and the whole thing is just so poignant and brilliant. The ending is wonderful as well. I very highly recommend reading this one.

After viewing the film, I recently purchase the hardcopy of the play for myself to read and of course to add to my own library. If you don't like to read the film is wonderful, witty, and walks/talks the truth about friendship and how we bond as gay men. This isn't a play, it's simple truth. A must read/see.
