Customer Reviews

Great source of information. I purchased this on recommendation by a friend. It will be a great resource for me as a new CMA to carry with me while working. It has just the right amount of information.

Everything I expected! I have other pocket guides and all are utilized. Also like the Spanish translations.

Great for externship. Fits nicely in my scrub pocket.

I love these little books. They have just the right information which makes looking things up easy. They are small enough to fit in your pocket.

Must have for anyone interest in or studying to become an MA.

alot of useful information in a concise many.

Use it all the time

I LOVE this little book. I'm in MA school right now & ive used it SO much already! ice even got half my class to purchase it already!
